

DISC Offerings

Discover the complete suite of DISC assessments—designed to transform self-awareness into real-world performance.

Understand yourself.

Flex with purpose.

Lead with confidence.

DISC Individual Assessment – \$60.00

Best for: Anyone focused on personal growth, communication, and self-awareness—in or outside of leadership.

What you get:

- A clear breakdown of your behavioral style (D/I/S/C)
- Flexing strategies for daily interactions
- Tips for managing stress, relationships, and career transitions
- A foundational tool used in every DISC program

Why choose it: If you're just starting your behavioral journey or want to improve how you relate, present, or make decisions—this gives you the essential self-awareness and flexing insights you need.

Ask about our options to upgrade to an assessment for business behaviors or life skills (\$20 add-on)

DISC Leadership Profile – \$100.00

Best for: Leaders, managers, or those preparing to step into a leadership role who want to motivate others and lead with trust.

What you get:

- Everything in the Individual Assessment
- Insight into how you lead, delegate, and influence
- Leadership strengths and challenge areas
- Flexing strategies for handling pressure, conflict, and feedback

Why choose it: If you are managing people or teams, this empowers you to adapt your leadership approach to diverse personalities and situations—a must for any high-performing leader.

DISC Sales Assessment – \$100.00

Best for: Sales professionals, consultants, or entrepreneurs who want to build trust faster and close more deals.

What you get:

- Your behavioral strengths in the sales process
- How your style impacts rapport, objection handling, and closing
- Flexing strategies to match different buyer behaviors
- Tools to improve influence, confidence, and trust-building

Why choose it: If you rely on relationships to drive revenue, this profile equips you a behavioral advantage in every stage of the sales conversation.

DISC Hiring & Job Fit Assessment – \$80.00

Best for: Job seekers, career changers, or hiring managers who want to align talent to role and environment.

What you get:

- A behavioral profile matched to job role requirements
- Insights on fit within existing team culture
- Interview prep and onboarding suggestions
- Optional benchmarking for roles and performance traits

Why choose it: If you're exploring your next move—or building a team—this ensures people are matched to roles that fit how they naturally operate.

DISC Team Report – \$100.00 (single team report)

Best for: Anyone working in or leading a team who wants to improve collaboration, reduce friction, and increase team performance.

What you get for up to 10 individuals:

- A visual map (Affinity Diagram) of the team's behavioral makeup
- Insights into governing behaviors, clusters, and communication patterns
- Guidance on resolving tension, managing meetings, and assigning roles
- Tips for leading or participating effectively in team dynamics

Why choose it: If you want your team to work better together—not just faster—this shows you how to align people behaviorally to the team's mission.
